Green Fee Option – Payment of \$300 for one person or \$475 for immediate family will entitle the purchaser to unlimited golf (green fees) for the year.

All charters are \$150 and will be sold by the Club at its discretion. The Club will repurchase any charter for \$100 until January 31 assuming all dues and assessments the previous year were paid in full.

****Payment Plan** – Dues payments may only be made in four equal installments, due by **February 15th, March 15th, April 15th, and May 15th**. Please note due dates and that use of payment plan results in higher dues.

Persons who reside in White County may be the guests of a member three times in one calendar year. Playing in most tournaments and scrambles counts towards the three time limit. Persons residing outside of the county may plan an unlimited number of times as either a guest of a member or a non-member. To be considered a guest, the member must be playing with the guest.
